8                   UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE  
9

10                   Charles V. Reed,

11                   Petitioner,

12                   v.

13                   Maggie Miller-Stout,

14                   Respondent.

CASE NO. C11-2187 MJP

ORDER ADOPTING REPORT AND  
RECOMMENDATION

15  
16         THE COURT has reviewed Petitioner's petition for writ of habeas corpus (Dkt. No. 11),  
17 Respondent's answer (Dkt. No. 20), the Report and Recommendation of Magistrate Judge Mary  
18 Alice Theiler (Dkt. No. 31), Petitioner's objections (Dkt. No. 31), and all related documents in  
19 the record. In light of this review, the Court adopts the Report and Recommendation.

20         Petitioner's objections do not cure the time bar issue or raise new facts or contentions not  
21 addressed by the Report and Recommendation. Petitioner fails to support his argument that the  
22 statute of limitations for his habeas action should be calculated based on 28 U.S.C.  
23 §2244(d)(1)(C) or (D). His conclusory allegations of impediments to court access do not support  
24 equitable tolling and are contradicted by his numerous filings over several years in State court.

1  
2 Based on all of the pleadings, the Court does hereby find and Order:

- 3 (1) The Court adopts the Report and Recommendation;
- 4 (2) Petitioner's habeas petition and this action are DISMISSED, with prejudice;
- 5 (3) Petitioner's motions for an evidentiary hearing (Dkt. No. 26), to strike respondent's
- 6 answer (Dkt. No. 27), and to expand the record (Dkt. No. 28) are DENIED;
- 7 (4) Petitioner is DENIED issuance of a certificate of appealability.

8  
9 The clerk is ordered to provide copies of this order to all counsel.

10 Dated this 13th day of December, 2012.
